THE DAY.

**They Drew Lots.**  
White Pigeon, Mich., March 3.—El-  
ward Jordan of Mottsville was sen-  
tenced to serve a term of four years  
at hard labor in the Jackson (Mich.)  
penitentiary. On his release he re-  
turned to his home, where he expected  
to be affectionately greeted by his  
wife, but he found her pledged to an-  
other man.  
The sequel of the meeting was a  
proposition by Jordan to draw lots  
as to which one should claim his wife.  
This was done. Jordan lost and faith-  
fully kept his unique compact. He  
parted with his lawful wife. The di-  
vorce Court and a second marriage  
will legalize the recent vows made.

**Red Tape.**  
Washington, March 3.—At 3 o'clock  
this afternoon the Clerk of the House  
conveyed a supplemental message to  
the Senate, returning the original Sen-  
ate Cuban resolutions on horse d as  
passed, with an amendment in the  
form of a substitute. It was decided  
after a conference with several Sen-  
ators, that in order to correct the Sen-  
ate Journal, it would be necessary to  
recall the House resolution. Accord-  
ingly Hitt (Chairman of the Foreign  
Affairs Committee) offered a resolu-  
tion, which was passed, recalling the  
Cuban resolutions.

**The Date Fixed.**  
New York, March 3.—Ex President  
Harrison said to a Commercial Adver-  
tiser reporter today that his marriage  
with Mrs. Dimmick will take place on  
April 6, at St. Thomas' Church in this  
city. Rev. Dr. John West y Brown  
officiating.

Many a good mine is doubtless  
lying idle because the ore body is sup-  
posed to be "lost" or "pettered out,"  
whereas, a little intelligent explora-  
tion work would open up a vein. Ac-  
counts of new discoveries in old aban-  
doned mines are frequently seen, and  
there are many others awaiting the  
efforts of the practical miner.  
Bar silver, .68½.

**Where Others Failed.**  
Mr. T. G. Farrer, Carson Nev.  
DEAR SIR:—It gives me pleasure to  
say that after the total failure of a  
high priced San Francisco specialist  
to overcome defective vision in my  
eyes, you have succeeded in giving  
perfect satisfaction in that particular,  
and you are at liberty to use this  
statement. Yours very truly,  
JAS. T. DAVIS.  
Mound House, Nev., Feb. 26, 1896.  
Mr. Farrer is the only Scientist and  
Manufacturing optician in the State  
of Nevada. He can be found at the  
Golden Jewelry Store.

"The use of 'Castoria' is so universal and  
its merits so well known that it seems a work

**TIMES CHANGE ALSO PRICES.**  
Do you realize this. Do you know what  
made it. It was not the old time grocers who  
showed the people the value of a dollar, but  
new blood forced new prices to the front and  
showed the people where they were at.  
We did not have to reduce prices to  
meet them *they came to our price.* This is  
our claim. We only want you to know where  
the credit belongs and deal accordingly.  
We changed with the times, not after  
them, and our groceries are sold for modern  
prices.
